CLEARFIELD CITY FOURTH OF JULY PARADE ENTRY REQUIREMENTS AND INFORMATION

Saturday, July 4, 2026

Your entry will be assigned a staging time and number.

Parade begins: 9:30 a.m.

To avoid misunderstandings, please read this document carefully.

- The registration deadline is Monday, June 15, 2026.** The registration fee of \$25 can be submitted by check to Clearfield City, or by calling customer service at (801) 525-2701. Any registrations submitted for consideration after this date will have a \$50 entry fee. **No entries** will be accepted on the day of the parade.
- All drivers of motorized vehicles in the parade must provide a copy of their current Driver's License with their respective entry's parade application. In addition, volunteer drivers driving a city vehicle and/or participating with a city-sponsored entry must provide a copy of the Clearfield City Volunteer Acknowledgment and Approval Form with the parade application, in addition to the copy of the driver's Driver License. This form is available at City Hall at the Community Services front desk.**
- PLEASE PAY SPECIAL ATTENTION TO THIS NEXT SENTENCE.** There will not be any ATV's, boats, trucks, cars, etc. used as an entry without appropriate Patriotic or theme related decorations. If you feel your entry speaks for itself, please make sure I feel the same. While this parade is a very efficient way to get the word out about your business, this is still a parade celebrating our Nation's Independence Day. The parade committee has the right to turn entries away from the line-up if necessary*.
***Exemptions** from the decoration requirement: marching bands, military units, firefighting and law enforcement units, government officials, antique vehicles, equestrian units; selected specialty organizations such as Shriners, VFW, American Legion, and others at the discretion of the parade committee.
- If there are walkers as part of the float unit, they must be dressed appropriately for viewing from the public, and the weather; and a steady supply of water needs to be available for them supplied by you.
- All participants must keep up and abide by the Parade Guiders that will be stationed along the parade route with signs indicating how to keep pace with the parade.
- There is to be no jumping on or off floats or vehicles during the parade.** The road is hard, and the tires of vehicles are merciless!
- Candy and other objects (toys, leaflets, handouts, or similar objects) must be manually distributed by walkers only. No objects may be thrown from a float or motorized vehicles.**
- Entries may be excluded from this parade at the discretion of the parade committee. The parade committee reserves the right to assign the position of each unit in the parade. You may request a generalized area in the line-up: front, middle, or end. Priority will be given in the order applications are received.
- Entries from schools will be grouped together as a unit and **must** be registered by the end of May. A school official must sign the entry form.
- Those with animals **must provide pooper scoopers.**

11. Violation of parade rules may result in immediate removal from the parade and/or exclusion from next year's parade.
12. Every entry must have submitted their application to the Parade Committee for approval.
13. Government entities are exempt from the entry fee. Reach out to me if you have any questions or need further information.

Please return the completed application by Monday, June 15, 2026
